Income from Self Employment: Self-employed persons may use income tax records for the preceding calendar year as a base to project the current year's net income, unless the current monthly income provides a more accurate measure. Report income derived from the business venture less operating costs incurred in the generation of that income. Deductions for personal expenses such as interest on home payments, medical expenses, and other similar non-business deductions are not allowed in reducing gross business income. Additional income from other kinds of employment must be treated as separate and apart from the income generated or lost from your business venture. For example, if you operated a business at a net loss, but held additional employment for which a salary was received, the income for purposes of applying for reduced price or free meals would be the income from the salary only. The loss from the business cannot be deducted from a positive income earned in other employment. For purposes of this application, it is not possible to report a negative income from any business venture. The least income possible is zero (no income). The necessary information for arriving at allowable income from private business operation may be taken from your most recent U.S. Individual Income Tax Return - Form 1040. Add together the amounts reported on the following lines:

LINE 12	\$	Business Income or (Loss)
LINE 13	\$	Capital Gain or (Loss)
LINE 14	\$	Other Gains or (Losses)
LINE 17	\$	Rental real estate, royalties, partnerships, S corporations, trusts, etc.
LINE 18	\$	Farm Income or (Loss)
TOTAL	\$	Report yearly income in Part 1, Gross Income Before Any Deductions.

Privacy Act Statement: This explains how we will use the information you give us. The Richard B. Russell National School Lunch Act requires the information on this application. You do not have to give the information, but if you do not, we cannot approve your child for reduced price or free meals. You must include the last four digits of the Social Security number of the adult household member who signs the application. The last four digits of the Social Security number is not required when you apply on behalf of a foster child or you list a Food Assistance, Temporary Assistance for Families (TAF) or Food Distribution Program on Indian Reservations (FDPIR) case number or other FDPIR identifier for your child or when you indicate that the adult household member signing the application does not have a Social Security number. We will use your information to determine if your child is eligible for reduced price or free meals, and for administration and enforcement of the lunch and breakfast programs. We MAY share your eligibility information with education, health, and nutrition programs to help them evaluate, fund, or determine benefits for their programs, auditors for program reviews, and law enforcement officials to help them look into violations of program rules.
