3. KASB SUPERINTENDENT SEARCH

Dr Brian Jordan, Leadership Specialist from KASB, took the podium to outline the role KASB will play in the district's superintendent search. A brief outline with a timeline and requirements were shared with the members. There were several dates the board needed to decide on. The board decided not to hold characteristic forums with staff and community members since they had been performed last year and they felt as though the data was still pertinent and current. This data will again be used to help the screening committee pick potential candidates that meet the board, community's and staff's desired characteristics in a superintendent. The job is posted on the KEEB site and KASB and has been posted since Feb. 16, 2018. The closing date chosen for the job is March 16, 2018. The screening committee will meet on March 20, 2018 and a special board meeting will be held that evening at 5:30 p.m. Interview dates are set as March 27, March 28, and March 29.

Sharon Toll, Board member, arrived at 6:07 p.m.

The search brochure was then discussed. The brochure that Wendy Sundahl had made for the search last year will be used again this year with a few changes made. Changes include enrollment data and date changes.
